The Wellesley Amateur Radio Society will hold its November Meeting on Monday, November 1st, at 7:30 P.M. in the basement of the Wellesley Hills Branch Library.

"Civil Defense and Ham Radio" will be the topic for discussion at the November meeting. Our featured speaker will be Mr. George DeCoen, Director of Civil Defense for the town. Hams realize the important part Ham Radio plays in the defense of our Country, so Mr. DeCoen's discussion is particularly timely. You are urged to attend.

Members are encouraged to bring guests. Refreshments will be served.
